### REMARKS

Entry of this amendment is respectfully requested.

Claims 1, 7-13 and 17-18 are in the application and have been allowed as indicated in a Notice of Allowance mailed on November 25, 2008.

Through this Amendment, the paragraph starting at page 6, line 15 has been amended to correct a typographical error with respect to reference numbers 37 and 37A. In particular, the Specification erroneously referred to reference numbers 37A and 37B, when reference numbers 37 and 37A are referenced in the Specification at page 4, line 30 in the original application and in the drawings at Figure 1.

Allowed Claim 7 has been amended to correct a typographical error. In particular, Claim 7 was amended on October 30, 2006, to include first and second stationary shafts, but due to a typographical error, one instance of the word stationary was inadvertently omitted. It is respectfully submitted that no new matter or new issues are raised by the amendments set forth herein.
